ENVIRON FACIALS
VITAMIN A, A CORNERSTONE INGREDIENT FOR HEALTHY-LOOKING SKIN. Globally recognized professional skincare line, Environ is founded on the belief that skin has a life and that vitamin A is the oxygen it needs to look healthy and beautiful. Through his groundbreaking research, founder and scientific director Dr. Des Fernandes designed Environ to help correct the visible effects of the skin’s chronic deficiency of vitamin A, the only scientifically known element that keeps skin healthy and combats the effects of aging. Backed by constant research and cutting-edge technology, products are manufactured from the highest quality ingredients and fresh, active vitamins. Through their Vitamin Step-Up System, skin slowly becomes accustomed to increasing levels of vitamin complexes by stepping up from one level to the next.

ENVIRON ACTIVE VITAMIN FACIAL - 60 min
This facial improves the overall appearance and vitality of the skin with powerful doses of vitamins and skin-essential nutrients. After a full skin analysis, the skin is cleansed using Environ’s signature four-step preparation to ensure it’s prepared for highly therapeutic products and treatment. From a peel to a hydrating mask and circulation-boosting massage, your esthetician will customize protocol to optimize results. Suitable for all skin types and particularly effective at addressing sun-damage, pigmentation, uneven skin tone, premature aging and dryness.
